Subject: Quick updates and a check-in? - MBTA CRMF MA0003590

Hi Cathy,

I hope you're doing well!

I wanted to check in with you on sharing photos from the first site visit as well as chat about the latest updates for the next site visit for MBTA CRMF. At this point, I think it might make sense to have a separate meeting with MBTA and the co-permittees rather than schedule the next site visit and plan to discuss plans for future sampling/division of responsibility on the same day. After those meetings take place, I was mulling a 308 for anything (e.g. sampling/property search) that isn't already covered.

Please give me a call if you'd like to chat - I'll be in the office most of the day today (8/31), and tomorrow (9/1), but will be out Friday (9/2).

Thanks,

Undine Kipka
